

The Booster Club JH Basketball Tournament is in 2 weeks and we need your help! This year, we are in need of donations more than ever.

Please sign up to help! Donations can be dropped off at the school starting November 10th, for the tournament.

This tournament is the Booster Club's largest fundraiser and with the profits we help *ALL* of our Blazer teams! The funds we raise will able us to grant scholarships to our student athletes, purchase equipment and uniforms for our sports departments, and help with other needs such as pay for sports camps or meals for our teams when they are on the road.

Thank you for supporting our student athletes.
